

PRICING GUIDE

Bonus! Enjoy a 20% discount on a second service in the same day.

Float Therapy

Member Perk: Enjoy complimentary add-ons depending on membership level.

Float therapy allows your body to enter a deep state of relaxation, so your brain can enter a place of rest and repair, and allows your body to be supported by a luke warm, silky solution with 1,300 pounds of Epsom salt to reduce inflammation and pain.

60-Minute Float Time | \$88

90-Minute Float Time | \$118

60-Minute Couples Float | \$168

Massage

Our unique Be Still Signature massage is performed on our FDA approved amethyst BioMat with pink Himalayan hot stones.

60 - Minute Massage Time | \$118

80-Minute Massage Time | \$145

30-Minute Brio Chair | \$32

Full Spectrum Infrared Sauna

(Max Occupancy 4)

Member Perk: Complimentary guests.

Help relieve inflammation, stiffness and soreness by increasing blood circulation and allowing the deep, penetrating infrared heat to relax muscles and carry off metabolic waste products, while delivering oxygen-rich blood to the muscles for a faster recovery. Program options are detoxification, weight-loss, cardiovascular, pain relief, anti-aging, or relaxation

30-Minute Session | \$32

Additional Guests \$10 per person

Sound Healing | Vibroacoustic Therapy

Our custom made sound healing table combines the use of binaural beats w/ vibrations at specific frequencies to improve physical and emotional well being. Listen to music based on science and inspired by Spirit. You'll vibrate into bliss.

30-Minute Session | \$29

Multiwave Locked System (MLS) Laser Therapy

Member Perk: May trade a float credit for a laser credit

A secret weapon in alleviating both acute and chronic pain. This patented, FDA-cleared technology has an 85% - 90% efficacy rate in relieving pain and inflammation, eliminates risk from surgery and prescription pain killers, has no negative side effects, and restores function.

Single Session | \$88

BioMat | Thermotherapy

Lie down on our FDA-approved amethyst mat approved for the treatment of stiffness, symptoms of arthritis, and muscle pain.

30 - Minute Session | \$29

BTL Emsella Pelvic Floor Therapy

BTL Emsella can improve the symptoms of stress incontinence and/or urgency, as well as other intimate health conditions, including vaginal laxity, erectile dysfunction and difficulty reaching orgasm. Please schedule a consultation for pricing to meet your needs.

roXiva Light Session

Using flickering white light combined with sound, the roXiva RX1 will effortlessly guide you into deeply relaxing or profoundly inspiring states of mind consistently and reliably. It does this using a natural ability of the brain called the Frequency Following Response.

30 - Minute Session | \$46

MEMBERSHIPS

Become a member today!

A Float Membership is your commitment to self-care, stress management and healing, and your best path to:

- better sleep
- quicker recovery
- fewer aches & pains
- reduced anxiety
- reduced stress
- improved mood
- and increased mental wellness

ASK ABOUT PRIVATE & CORPORATE EVENTS.

The benefits grow exponentially when you have a regular float practice, just like yoga or meditation improves with practice. By floating regularly, you are training your brain to normalize at a more relaxed level, and to produce higher sustained levels of endorphins, and decreased levels of corticosteroids and cortisol ("fight or flight" stress chemicals).
